

**REMARKS**

By this Preliminary Amendment, claims 27-53 have been cancelled. Thus, claims 1-26 and 54-56 are pending in this application.

A restriction requirement was made in the parent application, in which all of the claims presented for examination in this application were the non-elected claims restricted out from the parent application.

Each of the presently pending claims in this application is believed to be in immediate condition for allowance. According, the Examiner is respectfully requested to pass this application to issue.
